What is eBay Plus and how can I use it with magnalister?

Lösung (public)

eBay Plus is a quality award for listings with fast, free shipping on eBay. Merchants are awarded with it by eBay directly, while the feature is currently only available on eBay Germany and Australia.

magnalister can detect if you have permission to post eBay Plus listings. If so, the corresponding checkbox is clickable in the configuration and product preparation.

However, eBay's interface does not provide us with information about which eBay categories are enabled for eBay Plus. To gain clarity on this matter, please visit the corresponding eBay help pages:

[1]<https://verkaeuferportal.ebay.de/programme-gewerbliche-verkaeufer/ebay-plus/angebote> for Germany

[2]<https://sellercentre.ebay.com.au/ebay-plus-sellers> for Australia

Here you will also find detailed information about the additional requirements a listing has to meet in order to be eligible for eBay Plus.

Orders of eBay Plus listings have their own green eBay logo in the store order overview.
